IN ADDITION TO THE LICENSE TERMS SET OUT IN THE LICENSE AGREEMENT, THE FOLLOWING ADDITIONAL OR DIFFERENT RIGHTS AND ACCOMPANYING OBLIGATIONS AND RESTRICTIONS SHALL APPLY TO THE PROGRAM FOR WHICH YOU HAVE PURCHASED A LICENSE.

The Program may contain or be provided with component software products from Sybase, iAnywhere and/or third parties. Except as set forth below, use of all components is limited to use in the same manner and capacity for which the Program as a whole is licensed.

I. Scope of Licenses and Restrictions. The Program is a suite containing several software components. Use of all licensed components of the Program is limited to the same Seats, Server(s) and CPUs for which you have acquired this Program license, and the components of this Program may not be unbundled or used separately.

a. Use Restrictions- Afaria Data Protect Client. The Afaria Data Protect Client software component of the Program is licensed solely for Use in conjunction with the Mobile Office Program and may not be used on or with a Seat that does not contain and is not licensed for Use with the Mobile Office Program.

II. Free Download Components. The Program may include certain third party open source and other free download components (“Free Download Components”). You may have additional rights in the Free Download Components that are provided by the third party licensors of those components. The Free Download Components and any such third party licenses and third party-required notices for the Program are identified at <http://www.sybase.com/thirdpartylegal>. Any obligations undertaken by Sybase in the Agreement relating to the Free Download Components as part of the Program are provided by Sybase alone, and not by the third party licensors of the Free Download Components.

A. FURTHER DISCLAIMER OF WARRANTIES AND LIABILITIES. The Free Download Components are provided “AS IS” by the third party licensors, who disclaim all liabilities, damages (even if they have been advised of the possibility of such damages), warranties, indemnities and other obligations of any kind, express or implied, with regard to the Free Download Components. Nothing in the foregoing affects any performance warranty provided by Sybase with regard to the Program as a whole.

B. DISCLAIMER OF INDEMNITIES. The Free Download Components are excluded from any indemnity provided by Sybase in the Agreement.

C. Software Subject to the Lesser General Public License (“LGPL”). Certain of the Free Download Components are licensed under the Lesser General Public License (“LGPL”) (“LGPL Components”). In the event that you exercise any right granted to you under the LGPL to modify software subject to it, and relink and run that modified software with the Program, then notwithstanding anything to the contrary in the Agreement, Sybase shall have no warranty or support obligations of any kind with regard to the integration of the LGPL components, once modified by you, with the Program.
